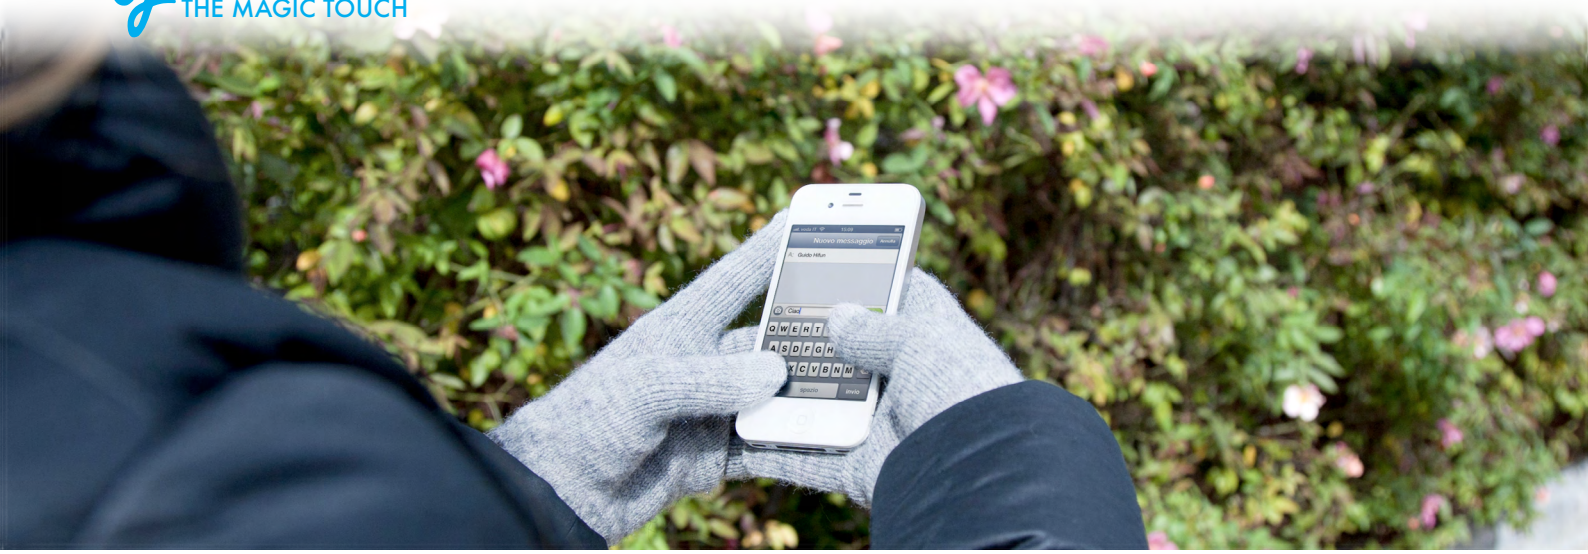
hi-Glove classic
THE MAGIC TOUCH

hi-Fun™



hi-Glove Classic are warm gloves that allow you to use any touch screen devices without ever taking them off thanks to the conductive material on the fingertips.
With hi-Glove Classic, you no longer have to fear the cold in winter! Warm and comfortable, these gloves allow you to use your touch scren devices (smartphones, mp3 players, tablets...) without removing them because they are made with a special washable conductive fabric. hi-Glove is available in many classic and neutral colors for men and women, but that perfectly adapt to kids sizes too. Choose the one that best matches your style!
